Please provide us with a brief written description of your crèche including where it was made. You must initial (on the underside) each piece of your crèche. You are responsible for setting up and breaking down your crèche. Also, after setup is complete, please photograph your crèche. If you are unable to do these things, you must provide us with a name and telephone number of a responsible party. Exhibitors are required to volunteer at least one shift during the open hours of exhibit. The church is very large and there will be between 150 to 200 sets displayed. While the FOSA volunteers are vigilant about walking the floor of the church and keeping an eye on the exhibits, extra people are always appreciated. Cards will be printed and placed next to each crèche identifying the country and/or town where the crèche was made. If you have a story about your crèche, please email it to us with the completed forms ([friendsofstalphonsusnola@gmail.com](mailto:friendsofstalphonsusnola@gmail.com)). Note there is a limit of three sets per person/family.
